To Honourable Supporter

Dear Sir/Madam,

RE: 24-HOURS PENCAK SILAT DISPLAY

This is another one fundraising initiative introduced by the Singapore Silat Federation to aid in improving the youth development programs catered for our Pencak Silat National Athletes. The COVID-19 Pandemic has affected most of industries in Singapore, and there is no exception for Singapore Silat Federation. The funding allocated for the program is also affected, where we will have to result in reducing the number of programs and activities, we have planned for them. And another main objective is to help athletes with financial or food bank assistance with our Silat with a Heart programme.

The 24-hours non-stop Pencak Silat Display is the inaugural and interesting fundraising initiative where the Silat club (our affiliates) will showcase their Silat moves artistically in showing appreciation to those contributors who have donated the amount and fund for the Singapore Silat Federation. We are targeting to raise a total amount of \$500,000 for this project.

Apart from that, Singapore Silat Federation is also aiming to hold a national record for organizing and having Pencak Silat demonstration for 24-hours and to be included in the "Singapore Book of Records".

On behalf of the Board Members, I am calling out to you to show your understanding and support the future of our national athletes who will one day bring glory to the nation, by contributing **Cash Donation** to Singapore Silat Federation. Your name or your company's name will be published and broadcasted live as "Donor" at our official website, and all our social media platforms for a period of 1-month, for donation S\$500 and above.

As Singapore Silat Federation is a registered with the Institution of a Public Character (IPC000526), and received its Charity status under the Charities Act since April 2011, we will be able to issue an entitlement of a tax deductible receipt of 2.5 times for all outright cash donation. Please refer to Annex 1 attached for further explanation.

I am looking forward to your contribution and supports to a humble non-profit organization, and I thank you in advance for your generous act!

Yours sincerely

Dr Sheik Alau'ddin Yacoob Marican, PBM
Chief Executive Officer

ANNEX 1

Donor Benefit – Tax Deductible Donation

1. Cheque – payable to “Singapore Silat Federation”
2. Bank Transfer – DBS Current Account 017-007120-3
3. Cash – drop by the office located at Heartbeat@Bedok (11 Bedok North St 1, #04-02, S469662)

Claiming Tax Deductible Donations

Tax deduction is given for donations made in the preceding year. For example, if an individual makes a donation in 2019, tax deduction will be allowed in his tax assessment for the Year of Assessment (YA) 2020.

You are not required to declare the donation amount in your income tax return. Tax deductions for qualifying donations will be automatically reflected in your tax assessments based on information from the IPC. IRAS will no longer except claims for tax deduction based on donation receipts.

Requirement to Produce Identification to IPCs

From 1 January 2011, all individuals and businesses are required to provide their full name and identification (e.g. NRIC/FIN/UEN) when making donations to the IPCs in order to be given tax deductions on the donations.

Donation Receipts

When donations are tax deductible, the donation receipts issued by approved IPCs will indicate “TAX DEDUCTIBLE”.

Approved donations made during the period 1 Jan 2016 to 31 Dec 2021 is eligible for 2.5 times tax deduction.

Tax Deductible – Sample Calculation

Item	Amount Calculated
Total Statutory Income	\$100,000
Amount of Donation	\$10,000
Amount of Deductible Donations	\$25,000 (\$10,000 x 2.5)
Assessable Income for Year Assessment 2019	= \$75,000 (\$100,000 - \$25,000)

Carrying Forward of Unutilised Tax Deduction for Donations to IPCs

When the tax deduction for the donation is more than the income for the year, the existing qualifying donor (i.e. individuals, companies, trusts, bodies of persons) is allowed to carry forward the unutilised deductions for a maximum of five years.

For example, a donation made in 2018 and allowed tax deduction in Year Assessment (YA) 2019, will be allowed to be carried forward (if tax deduction for donation exceeds the income for 2018) up to YA 2024.
